

Z_Cal 600 Electronic Height Gage

Fowler/Trimos Z_Cal 600 Height Gage with 24" range. The Z_Cal 600 offers Sylvac's patented measuring system in a stylish easy to use height gage.

**Motorized movement • Low measuring force
Full numeric keypad • Air-bearing base**

Special Features:

- Swiss engineering and construction.
- One hand operation
- Measures heights, internal and external diameters and centerlines.
- Measures centerline location and center distances with dual references.
- Min/Max/Delta modes.
- Optical indicators for tolerances.
- Programmable measuring sequence.
- Includes x charts, histograms and statistics.
- Extremely light measuring pressure (variable)
- Large selection of optional probes with diameters of 1mm and 2mm for miniature parts.
- Built-in pump provides air cushion to reduce wear and fatigue.
- Includes setting gage.
